

# 3rd Annual DDBC Charity Event!

**August 22, 2009**

## In Honor of Joshua Burger

This years event promises to be loads of fun! We have an amazing Carnival planned with tons games, prizes, carnival foods, bounce houses and more. Not to mention the softball game featuring Retailer vs. Manufactures.

We are asking Manufacture and Retailers to help sponsor this event through donations, game booth sponsorship, prize donations or even just your time. Remember this is for a great cause. For those of you who had the pleasure of seeing Josh speak out our April meeting, his amazing story needs no further explanation. He is an extraordinary young man and a true inspiration to us all. For those of you who would like to learn about Josh, you can read his story at [www.wheelchairfoundation.org](http://www.wheelchairfoundation.org)
